Subject: Authorization for Partial Release of Reclamation Surety, Quality Building Stone, Lucero Red Quarry, S/055/0023, Wayne County, Utah

Dear Sir or Madame:

Central Bank is presently holding letter of credit -1 for the benefit of the State of Utah, Division of Oil, Gas and Mining, as a form of reclamation surety for the Lucero Red quarry operated by Quality Building Stone, Inc. This letter authorizes reduction in the letter of credit from \$22,000.00 to \$10,500.00. The operator has reclaimed a portion of the mine site which justifies the reduction.

When this transaction has been completed, please provide the Division with an amended letter of credit showing the new amount.

If you have any questions or concerns, please contact Paul Baker at 801-538-5261 or Penny Berry at 801-538-5291. Thank you for your help in this matter.

Sincerely,

John R. Baza  
Director
